No diagnostic fee will be charged in determining any problems with your computer. Computers covered by warranty will be repaired per the warranty. Repairs for computers not covered by warranty will not be completed until you have been advised of the repair costs and you have agreed to the repair. We will make every effort to retrieve your data; however, we are not responsible for loss of data in the event of hard drive failure or replacement. **Back up your data before turning your computer in for service.** Payment for all services not covered by warranty will be made to YannTech Computer Solutions by cash, check or major credit card.
